

TENURE-TRACK ASSISTANT PROFESSOR POSITION THEORETICAL PHYSICAL CHEMISTRY

The Department of Chemistry of the University of Missouri-Columbia invites applications for a tenure-track faculty position at the assistant professor level in theoretical physical chemistry beginning in Fall 2018. The successful candidate will establish an outstanding, independent, externally funded research program that complements current department strengths. Candidates should also be committed to effective teaching at both the graduate and undergraduate levels. Minimum qualifications are a Ph.D. in chemistry or a related field with postdoctoral experience. Consideration of applications will begin on November 15, 2017 and continue until the position is filled. The University of Missouri is fully committed to achieving the goal of a diverse and inclusive academic community of faculty, staff and students. We seek individuals who are committed to this goal and our core campus values of respect, responsibility, discovery and excellence. The University of Missouri is an equal Opportunity/Access/Affirmative Action/Pro Disabled & Veteran Employer.

Please apply on-line at: <http://hrs.missouri.edu/find-a-job/academic>. Use the online application and be prepared to upload your CV, descriptions of research plans, and a statement of teaching philosophy. Three letters of recommendation are required and the applicant should arrange for the letters to be submitted. The letters should be submitted electronically to MUpchemSearch@missouri.edu. Applicants may contact the Chair of the Search Committee (greenliefm@missouri.edu) for any questions about the job duties. Contact Human Resource Services (muhrs@missouri.edu) for any questions about the application process.
